

Hello Fellow Club Members and all shooters who receive this newsletter,

Earlier this month an update was sent out detailing all of the new Directors and Officers of the Club.

The most significant news to date is the announcement of the Board hiring a new Club Manager.

Tonya Julian was hired by the Board of Directors and reported for duty on January 20th. As of this writing Tonya has completed four days of successful operation.

Tonya and husband Scott have resided on the Club grounds in the role of caretakers for the past several years.

Scott is currently a Director and Secretary of the Club.

Tonya is a professional bookkeeper by trade and has helped the Club many times with her knowledge.

Both Tonya and Scott have been involved in many organized shooting events here at the Club and around the North West.

The Board welcomes Tonya to this important position and asks that all Club members show their support, understanding and patience during this learning period for our new manager.

We ask that everyone come out, shoot some practice and spend some time chatting with Tonya.

She is easy to talk to and a good communicator.

TRAP HELP: The Club is looking for a few individuals who can work paid hours according to the needs of the Club.

If you know of someone who is interested in working let the Club Manager know.

As of now Tonya can use some volunteer help on Wednesday mornings, between the hours of 9:00 AM - Noon

and then again between the hours of Noon and 3:00 PM. If you would like to volunteer a few hours of your time

please contact Tonya at the Club and let her know of your availability.

A reminder to all Club Members: we are required to volunteer 8 hours of our time each year in service to our Club.

If you are unable to be present and volunteer 8 hours of work for the benefit of the Club, then the Club will accept a

Trap Help donation of \$100.00 from each member who cannot fulfill their membership obligation.

As a Club that promotes fellowship and sportsmanship we would prefer that you interact with other Club Members

to accomplish work that will enhance the Club. Only as a temporary measure will we accept the donation so that the Club can hire trap help to fulfill your individual obligation.

Our current schedule (Feb- March) for shooting events that will require Club volunteers: Approximate times and hours volunteers will be needed are listed.

If you are available for any of those dates please contact the Club Manager, Tonya Julian, and schedule your volunteer time with her. She will be happy to hear from you and further explain the duties during business hours of the Club.

Winter League: Our 1/22/2016 League shoot had 132 shooters. Thanks to the Club volunteers who scored and kept things moving, we were finished just after 9:00 PM. Great Job.

PITA Multiplex: Our January Shoot was just about frozen and snowed out! Even with all that Mother Nature had to throw, there were still some hearty shooters who ventured out and braved the elements. Hillsboro had 19 shooters and the HOA winner was Robert Robertson who managed a fantastic score of 136x150. Hats off to Mr. Robertson!
Last Winter Multiplex is on 2/7/2016 (Super Bowl Sunday). The shooting will be over by the time the Big Game starts.

New TV: The Club is looking for donations to acquire a new TV, and along with that a Super Bowl party at the Club.

Check with Tonya on her plans for the Big Game day.

Oregon High School Clay Target League: As mentioned last month the OHS Clay Target League www.usaclaytarget.com is beginning to pick up momentum. Teams are starting to sign up for the League. Hillsboro Trap and Skeet Club has agreed to host the OHSCTL State Shoot on June 25th. Please go to the website for further information on starting a team at your School.

Junior Winter Trapshooting League is shooting 1/30 at the Club and will finish its season on 2/27 with donated targets and prizes from the Club. They shoot every Saturday from about 12:00 until 2:00 and can always use help in scoring.

Do I hear anyone volunteering to help out the Youth League?

These kids are the future of our sport and Club. Let's all help promote Junior shooters in any way we can.

The Board of Directors is currently on track with several projects that will improve the equipment and Club grounds:

We are in the process of maintenance and overhaul of all 12 of the Club's trap machines, voice calls and controllers.

In the early stages of a project with PGE to improve the power to the Club's trap houses and RV line.

Maintenance of the benches and general clean up of the Club, work shop and grounds.

Tools and Equipment:

After taking a recent inventory the Board finds that the Club is short on basic hand tools, such as shovels, rakes, wheel barrow, rolling cart, hand truck, portable power hand tools and mechanical tools such as wrenches, socket sets, ratchet's, files, screwdrivers, Allen wrenches, tool bags, and a tool chest. Any members who have tools and equipment that can be spared, the Club would appreciate your donation.

Firewood: Always needed in the wood stove on those cold shoot days and nights. Gladly accepted.

Looking forward to a great 2016 for your Club.

"Year of the Volunteer"

Sincerely,

Steve Kaufman
President
Hillsboro Trap and skeet Club.
