

## Welcome to the Grand Pacific...

The Executive Committee has been working with Sue and Rusty for the past several months to make this shoot an outstanding experience for all who attend. One main goal of the PITA has always been to do the best for the shooters. As you read this program I think you see we have kept that goal in mind. Many of the events you have enjoyed in the past will be there for your participation again. We have added a couple of new activities. Our sponsors this year have been even more generous than usual, allowing us to offer more for our members.

Here are a few things I hope you will do during this week long event:

- Visit all our vendors on site and thank them for their attendance
- Buy some tickets at the Basket Raffle inside the clubhouse
- Read this program so you know all the great things happening
- Browse through the silent auctions and raise someone's bid
- Join the fun in some of our evening activities
- Ride the shuttle with us to the Casino for dinner one evening
- Have a great time visiting with friends and family
- Patronize our advertisers, we have lots of new businesses listed
- Attend the General Meeting Friday at 8 a.m. (This is your Association)
- Don't forget to buy your Mega Raffle tickets
- Thank the Evergreen staff and board for their work this week

My thanks and appreciation for all the volunteers who help throughout the year and during the Grand. It takes a year to make this one week event happen. Thank you to all who give of their time and energy to make this a success. I wish you all good shooting and much laughter. Stay safe!

Nadene Pope, President

**Contestants must shoot the longer of their PITA/ATA yardage.** A shooter earning yardage shall have their card punched from the yardage which they shot.

### **SPECIAL CATEGORIES**

## SQUADDING

A pre-squad form is located on our website, [www.shootpita.com](http://www.shootpita.com). Squadding preference will be given to shooters using this form or you can squad online at [www.presquad.com](http://www.presquad.com), starting June 1<sup>st</sup>. **A \$5.00/shooter pre-squad fee is payable by either method.** Remember, **PRE-SQUADDING IS A PRIVILEGE**. If you make a reservation for yourself and friends and find one can't attend or earns yardage please cancel and correct your reservation.

Shooters on squads with fewer than three shooters will be re-squadded to fill squads. **Please check [presquad.com](http://presquad.com) prior to July 13<sup>th</sup> and if your squad does not have three shooters you must re-squad or the cashier will do it for you.**

**No variation in assigned squad number allowed.** If you are assigned an early squad for the first event you enter, you will be assigned an early squad for all remaining events of the tournament. **If you are not present at the first event for which you pre-squadded, you will lose your position for the remainder of the pre-squadded events.**

**Shooter requested squad changes require a \$10.00 change fee. You will be assigned to the same bank of traps as your original squad.** If you have questions about this please speak with shoot management.

When necessary (i.e. machine malfunction, uneven bank rotations or other problems) squads may be moved to open banks to facilitate event completion.

## OPTION MONEY

**No entry fees or option money will be refunded after the event starts.** All payoffs are by check. IRS rules require a social security number before checks of \$600 or more can be distributed (includes all winnings from PITA during the calendar year). Please complete a W-9 at the cashier's office if you reach this amount.

## EARNED YARDAGE

Should earned yardage cause more than the allowable yardage variation within the squad the shooter earning yardage will be assigned to the nearest compatible squad.
