Welcome to the Hillsboro Trap & Skeet Club!

On behalf of the Hillsboro Board of Directors and membership, I would like to welcome everyone to the 2015 P.I.T.A State Shoot. We are hosting this year's shoot in affiliation with OSTA.

We welcome all shooters and their families to come and enjoy the fun. Renew old friendships and make new ones. Come and partake in the hospitality of our club. We aim to make this year's shoot enjoyable for all who attend.

RV parking is available with power and water hook-ups as well as a few dry camping spaces. There is no sewer or on-site dump station available. RV reservations can be made by contacting the club at 503-648-2972. Please leave a complete message with your name and number so we can get you all set up.

Our kitchen will be open for breakfast and lunch during the shoot. There will be an evening meal available Thursday, Friday and Saturday.

We urge you to come early and shoot the Gary Morlan Memorial Shoot on the 12th, 13th and 14th of June as a warm-up to the State Shoot.

We welcome you all once again and hope you have a fun, enjoyable and safe time.

Marv Brandenburg and the Board of Directors

Welcome to the 84th annual PITA Oregon State Shoot. On behalf of the OSTA Board and the Hillsboro Trap and Skeet Club, we hope you plan to be with us June 18-21. We extend a sincere welcome to all.

Under the guidance of Marv Brandenburg and with lots of help from their board and other volunteers, improvements to the grounds and facilities have been made for your enjoyment.

We will present the same program of events as we have now for several years because a majority of shooters have expressed their approval. If you are looking for a way to express your approval, or disapproval for that matter, why not join the OSTA board? We always need a few good men and women who want to put trapshooting in Oregon first. Interested? See you at the General Meeting.

Finally, as you scan through the program you should make note of the events honoring two of our biggest supporters that are no longer with us. I doubt few would argue against the claim that Walt Coulson and Jerry Meyer loved trapshooting and loved trapshooting in Oregon. Join me for a laugh and maybe a toast in memory of these two friends.

Ron Johnson, President OSTA .

Cystic Fibrosis is an inherited chronic disease that affects the lungs and digestive system of about 30,000 children and adults in the United States.

Mike Bonn's son, Brad Bonn, was born with cystic fibrosis and because of advancements in treatments, people like Brad are living long and productive lives.

In the 1950's, few children with cystic fibrosis lived to Elementary school. Today, advances in research and medical treatments have further enhanced and extended life for children and adults with CF. Many people with the disease can now expect to live into their 30's and beyond.
