## PRESIDENTS MESSAGE

Welcome Shooters, to the PITA Harvest Grand and the Spokane Gun Club. I'd like to take this opportunity to inform you of the positive changes that are taking place at the Club. In these economic times, the Board of Directors has implemented an all Volunteer Labor cost reduction effort. We need your help to achieve this goal. Please volunteer to help load the trap and skeet houses.

At the smaller shoots we are in need of Scorers and Pullers. On Wednesdays and Thursdays we need you to help open the practice fields. Every dollar that we can save in labor costs helps towards improving your club and making it a better place to shoot.

Thank you for coming to our shoots and we hope you enjoy yourself while you are here. May many 100 straights be shot.

Brian Martin, President

# **THIS SHOOT IS HAD BEEN DEDICATED TO HELPING THE SPOKANE VALLEY MEALS ON WHEELS**

Over 80% of their clients live at or below the poverty level.

Many would not be able to remain in their homes if it were not for this program. Their home delivered meals program serves people who are 60 years of age or older or disabled, who are essentially homebound and have trouble preparing meals for themselves.

Many of their clients would sit in isolation and suffer nutritional deficiencies, eating whatever food is easy to open. They also operate 14 senior meal sites throughout the county. With your help we are pleased to serve our community in filling this vital need.

At the Harvest Grand shoot on Sep 5,6,7 we are offering an opportunity for shooters to help this worthy cause by entering an option in which 50% goes to the Spokane Valley Meals on Wheels and 50% to the shooter.

We hope in this small way to be of help to this worthy organization.

They not only deliver meals to homes, but have the Silver Cafes for those in need that are in need but mobile.

If you have a function and want food catered, you can help by using the services of this organization also. Check it out !

They are located at 12101 E. Sprague, Spokane Valley, WA 99206
