## Good Luck Shooters!

# Evergreen Sportsmen's Club

## President's Message...

Dear Fellow Trap Shooters and Guests,

As always, it is a pleasure to have the Washington State PITA Tournament held at Evergreen. Evergreen's Board is committed to ensuring that everybody participating in this year's Washington State Shoot will have a fun, enjoyable and memorable time.

Evergreen is in the process of evaluating itself so that it may progress forward in a manner indicative of future success and longevity. This will arise out of actions consistent with working towards goals that use, as their premise, the idea of implementing innovative ideas that aid the various sportsmen events we sponsor and host here, while doing so in a way that fosters financial stability for Evergreen. Without gun clubs all across our great State and region, where will the sportsman go to passionately participate in, and advocate for, the sport they love?

We will look to our members and the organizations that we are affiliated with in order that the changes we make coincide with what is ultimately best for the sportsman. We ask that you be patient with this process, and we fully encourage any input that assists us in making these decisions.

We Hope that you all have a great time during your stay, and may you all break 100 straight.

Sincere thanks,

**Mark Downing,**  
President ESC

Shoot well and have fun!

Entry fees will be in U.S. currency, American check or Canadian check in U.S. funds (NSF fee \$35.00). All pre-squadding fees will be paid at registration at the shoot.

**Refunds** – No entry fees, purses or options, will be refunded after an event has started.

**Payoffs** – No payoffs will be made during this shoot. Checks will be mailed to all shooters. Check event payoff sheets prior to the start of the last event for any questions.

**IRS REGULATIONS** – Before checks over \$599.00 can be distributed, IRS requires a social security number. Please furnish this information to the cashier.

Personnel at the handicap table will assist you if necessary. A shooter who is an ATA member, and is joining the PITA for the first time will be assigned yardage equal to their ATA yardage. If a shooter has assigned yardage in both the ATA and the PITA, the greater yardage will be assigned. At State/Provincial and Grand Pacific Championship tournaments, all shooters who have **NOT** shot at the below listed quantity of PITA registered Singles and Handicap targets during the current and previous year combined, shall be assigned penalty class and/or yardage as follows:

## **CLUB TEAM COMPETITION**

Washington state club team members must be posted on the sheet provided on the bulletin board prior to 9:00 a.m., Saturday, July 12, 2014. One Washington State "at-large" team will be allowed.

Club team members must be current members of their respective PITA clubs, prior to the 2014 State Shoot. The club must have thrown PITA targets. The "At-Large" team is set aside for PITA members who shoot PITA targets but live in areas where there are no clubs throwing PITA targets, such as South Eastern Washington and North Eastern Washington. If two or more shooters sign up for the "at large" team in any class the WSPITA Board of Directors will draw lots to resolve the final "at large" team.

Each four shooter team will be comprised of one shooter from each class (AA) (A) (B) (C or D). A shooter in a lower class may substitute for a higher class shooter. Example: a "B" shooter can fill the "A" or "AA" billet. Washington State clubs may enter as many teams as they can man. A shooter may only be on one team.

**A special experience  
for special families**

After fishing with disabled youths who delighted in their new adventure, two brothers had a vision to create a recreational camping facility near Clear Lake on White Pass where special families with disabled or seriously ill children could enjoy nature and outdoor activities.

Since 1986, thousands of families have enjoyed the opportunity to escape their daily stresses, taking pleasure in the beauty of the outdoors, and participating in activities with other families sharing similar challenges.

Thanks to our generous donors, this "prime time" experience is provided free of charge.
