PITA ALL STAR TEAM (from current P.I.T.A. Rulebook)

At the end of the target year, 10 five person PITA All Star Teams consisting of a top five team, two men's teams, two ladies teams, a veteran team (65-69 for the two major shoots), a senior team (70-74 for the two major shoots), an elder team (75 or older for the two major shoots), a junior team (under 18 at the beginning of the target year) and a sub junior team (under 15 at the beginning of the target year) will be named by the PITA Administrative Office. Members of the respective teams are required to have met the following minimum target requirements (some categories not shown-see Rulebook for complete listing):

Category	16 Yard Targets Required	Handicap Targets Required	Doubles Targets Required
Top five (any age)	1700	1700	1100
Juniors (2 teams)	1000	1000	500
Sub Juniors (1 team)	1000	1000	500

Team placement will be determined as follows:

1. All shooters, not awarded a spot on the "top five" team shall be eligible for All Star Teams in any category for which they may be eligible; these being both gender and age related.
2. In the case of being eligible for two teams (these being gender and age categories) they shall be awarded a position on one team only, determined by whichever team they placed highest. In case the shooter qualifies for two teams at the same position, they shall be awarded the position in the age related category.

Selection of the All Star Team is based on the shooter's ability as evidenced by their averages. The average is computed by dividing the sum of your singles average, handicap average and doubles average by three. Targets must include at least 100 singles, 100 handicap and 100 doubles each, shot at 5 different PITA hosted shoot locations. Cross registered targets shot at an ATA sanctioned event and submitted to the PITA will not be counted in the 5 club requirement for All Stars. All members of the respective teams are required to participate in the High All Around events (200 Championship Singles, 100 Championship Handicap and 100 Championship Doubles) at two major shoots. Major shoots are the Grand Pacific, any PITA State/Provincial Shoot, the Western Canadian Championships and the Canadian Championships (when held in BC as a PITA shoot).
