Mahalo for coming to the 2016 Hawaii State Shoot and for providing help, support and many happy smiles. Kathi & Kathy feel especially spoiled this year, with gifts of leis, chocolates, cookies, honey, valentine bears, etc.

Please note: we provide a shooter recap and payoff report to each attendee. It is created from data derived from 3S Software reports. Any errors are typographical, and do not reflect a pay off error. If you have questions regarding scores or pay outs please contact Kathi McCulley 208-413-0206 or Kathy Connerley 208-746-6485 (K&K Cashiering).
