The Day In Review

Another great day at the club! We had one minor glitch with the power going out, but it only lasted about five minutes and we were back in action. Today's events were sponsored by Ivory Jacks, Davis Construction, and Fullford Electric. Thank you for all your support! We had LOTS of shoot-offs today. In doubles, we had shoot-offs for every class: A-Class took three rounds between **Wally Smith (54)** and Brandon Nieder (53), B-Class was between **Pete Hudson (19)** and Clint Brooks (14), C-Class was between Dave Inman (17) and **Bob Setren (20)**, and D-Class was between **Jerry Godkin** and Mar'chant Thompson which was settled with a coin toss. There was a shoot-off for Singles Senior Vet between Bob Burg (21) and **Pete Wylie (22)**. Lastly, there were Handicap Shoot-offs: the first for Champion was between **Glenn Goepfert (21yd)(23)** and Cody Kurkowski (20yd)(22), the second was for Senior Vet between Dave Inman (22) and **Wayne Bertholl (23)**. HUGE thanks to Stubby for grilling up his famous BBQ dinner for us this evening - everything was wonderful, as always! Also, thank you to everyone that brought sides and snacks - we appreciate your contributions so much! Please join us tomorrow for the 3rd day of the State Shoot - shooting starts at 11:00am.
