63 shooters took advantage of a nice weekend to fire at 25,600 registered targets and post some really fine scores. Nick Krause took the singles championship with a score of 199 after a three-way shoot – off with David Poseley and Spud Storey. The Saturday handicap was won by Chuck Terry as he blasted a perfect 100. Nevada shooter Mike Gregersen captured the doubles event with a great 99.

100's in handicap are rare in Idaho and people were still talking about Terry's score from Saturday when Dave Poseley went out in the Sunday Preliminary handicap and crushed 100 from 27 yards to edge Ron Stoltenberg by one target. Poseley also captured the H-O-A crown by one target over Storey with a 582 score.

Storey won the final handicap with a 97 and a shoot-off win over Jeff Wright. Jeff used his 97 to win the Twin Falls Golden Pheasant buckle for the combined high score of 193 on the event 2 and 5 handicaps.

Pocatello – July 12-13.

The weather was **hot** and it took its toll on shooter numbers, especially the second day. 43 shooters registered 19,700 targets and there were good scores in every event. Utah shooter Brian Nielson put a pair of 99's on the board to take the doubles championship with his 198. Jeff Scott and Jeff Wright fired 99's to lead the Saturday singles and 96's topped the Saturday handicap as Trevor Ogle, Jim Hoover, and Brian Stoa topped their yardage groups.

Willis Norton had the only perfect score of the weekend as he won the Sunday singles with his 100. The preliminary handicap was won with a lone 97 by H.E. Hewett and the main handicap was led by Harvey Harpster with 95. Harpster led scoring on the combined scores of the two Sunday handicaps with his 187 to edge out Steve Spencer and Earl Ward by two birds. Norton fired 666 to win the H-O-A championship by one target over Jeff Wright.

Grand Pacific. Evergreen Gun Club. Littlerock, Washington. July 20 – 27, 2014.

The weather was good (a little rain mid-week), the shoot attendance was up a considerable amount, and the shoot ran very well. Idaho was represented by over 45 shooters (probably the second or third largest crowd from Idaho to ever attend the Grand Pacific). There was a ton of stuff going on all week – Mega-raffles, basket raffles, a beautiful trapshooting quilt raffle to benefit the Idaho PITA (Thanks Kathy), two or three silent auctions, draw score shoot-offs (although don't ask Kent and Liz Harris or Jeff Poseley how those went), visiting the PITA Hall of Fame, small gauge and vintage gun shooting, Buses to the Lucky Eagle Casino, and much more.

Our congratulations to Mike Rinard and Norm Foster on their outstanding accomplishments at the 2014 Grand Pacific. Mike had 9 wins and Norm had 6 during the week. For most shooters the Grand is a success if you can win one time while you are there.

Well, that's it for the month of July – lots of shooting and having fun! In August we have the last of the summer Multiplex shoots, and then the 31st annual Gun Shoot at Pocatello from the 7th through the 10th. Twin Falls has a one day shoot scheduled for August 23rd and several shooters are planning on going to the Winnemucca, Nevada two day PITA shoot September 6th and 7th to support a club that attended our state shoot (and others) very well this year.

Good Luck and Good Shooting,

The Idaho PITA.
