

On Target Two

Idaho PITA Newsletter.

Issue # 11. March and April, 2015.

This issue will report on three Idaho PITA registered shoots – In March we had The Doubles Marathon in Twin Falls. In April the Snake River Championship shoot in Twin Falls, and the Wood River club hosting their annual shoot.

Looking ahead it appears that May and June will be very busy shooting months. Caldwell and Burley each have a one day shoot the weekend of May 2nd and 3rd, the Handicap Marathon will be at Pocatello on May 9th and the 22nd Annual Treasure Valley singles Marathon will be hosted at Boise on May 17th. June brings the State shoot at Caldwell on the 5th through the 7th, and two day shoots at Pocatello June 20th and 21st and Twin Falls the 27th and 28th.

Let's take a look now at who shot well in March and April.

Idaho PITA Doubles Marathon. Twin Falls March 22nd.

13,200 registered targets were shot by 40 shooters who had pretty good weather for March. A breeze most of the day made it feel cooler than it really was. Randy Adams won the 300 bird doubles championship by two birds over Bob Clement but Clement returned the favor by edging Adams by two to win the Champions H-O-A pin on the total 400 targets for the day. Clement and

Joe Nelson topped the handicap event with their 92's.

April 25th. Wood River Annual Shoot.

The weather forecast was bad but the shooting weather was good. Despite snow and rain showers in the surrounding hills and mountains off and on most of the day, the weather at the club was nice enough that it was right on the borderline of "should I just wear my vest or do I need a jacket?" (The last couple of squads did get some weather as they finished up). 34 shooters registered 9,400 targets for the day.

Jeff Wright won the doubles championship with his 96 and also was the H-O-A champion with a fine 288 X 300. Johnny Keppinger had the lone 100 in singles and Rick Ruggles and Gary Hite topped the handicap events with 95's.
