### ROOKIE OF THE YEAR AWARD

The NSPITA will award a Rookie who shoots the highest combined score in the three Championship Events at this years State Shoot a Buckle. To qualify you cannot have shot any registered targets (either ATA or PITA) prior to May 16th, 2014. This award is open to anyone, regardless of age or sex who has resided in the State of Nevada for a minimum of six months.

2014 Rookie of the Year: Jackson Ellender

*Welcome to the 2015*

### *Nevada State PITA Shoot*

I am pleased to announce that the 2014 PITA trap shooting season resulted in very good participation. This year we are going with an ALL-MONEY Shoot, no trophies. Let us know what you think of this idea at the shoot. I would like to thank Winnemucca Trap Club, Flying Saucer Trap Club, Boulder Trap Club and Fallon Trap Club as well as our host club Mason Valley Trap Club for helping make 2014 a success for NSPITA. All of these clubs have donated money to be added to this year's prize package.

Because of our success in the 2014 shooting year, NSPITA is increasing the prize to any shooter (in state or out of state) that shoots a hundred straight in the Championship Handicap Event to \$1,000.00. In the event two or more shooters shoot 100 straight the money will be split.

In order to maintain the integrity of the 2015 Nevada State Shoot we are limiting registration to 25 squads. The Mason Valley Trap Club and NSPITA want to make this year's State Shoot an enjoyable event for everyone. Your opinions are important to us and we can't improve without them.

A special thank you to the City of Yerington and the businesses that generously supported this years State Shoot. Please take a moment to check their advertisements in this program and frequent their businesses during your stay in Yerington.

## THE DAN ORLICH AWARD

On July 20th, 1969 Dan Orlich won The Grand Pacific High All Around Championship with a perfect score of 400 x 400. This was accomplished at the PITA Grand Pacific Trapshooting Tournament hosted by Harold's Trapshooting Club in Reno NV. Dan is the first shooter in trapshooting history to post a perfect 400 x 400. Dan Orlich is also the current record holder on singles averages with his .9982 in 1968 remaining an all-time high. In doubles, Dan Orlich was the first in history to break 100 three, four and five times. He has six of them to his credit. Among his accomplishment, Orlich also counts the most consecutive Champion of Champions titles. Nevada State championships number 25-ten in singles, three in handicap, five in doubles and seven in the all-around. He has earned 10 Western Zone ATA championships-three singles, two handicap, one doubles and four in all-around.

Again this year we will have the Dan Orlich Award with \$500.00 going to the High All Around Champion and \$100.00 to the HAA winner in AA, A, B, C and D classes. Open to Nevada residents only.

## Annual Nevada PITA State Team Selection Procedure

The Nevada State PITA organization shall use the following procedure when selecting the Nevada PITA State Team. A selection committee shall perform this task at the end of a PITA shooting year. After making the announcement of the new team, awards for this new team shall be presented during the upcoming Nevada PITA State Shoot.

The PITA State Team shall consist of ten (10) individuals. All Nevada PITA shooters that meet the qualification listed below shall be placed into a pool of candidates for the State team. They will be ranked based on their overall target average of the three (3) PITA disciplines (Singles; Handicap; Doubles). The pool's top ten (10) individuals will be assigned as the State Team.

To qualify for selection to the State Team, a PITA shooter must meet the following requirements:

A) Must reside at a legal residence within the State of Nevada at the end of the Shooting year

B) Must have a minimum of 1000 targets on record for each of the three (3) PITA disciplines. All PITA cross-registered targets obtained from an ATA event that are shot at a Nevada club shall count toward this requirement.

C) Must participate in all three (3) Championship events held at the annual PITA State Shoot.

D) Registered target requirements must include PITA targets registered at at least three (3) different Nevada clubs that are hosting a PITA shooting event. ***It is to be noted:*** The club holding the State Shoot cannot be counted as one of these clubs unless you as a shooter attend another PITA shoot at that club outside the State Shoot.
