**The Day In Review**

---

Today's events were sponsored by Jenn & Dennis Geary, and Northland Wood. What a challenging day for a shoot...thanks to the wind and smoke, we had some interesting scores. Doubles became wobble doubles and visibility was close to none. But no matter what, our shooters persevered! Today we had a shoot off for Class C doubles champ between Rohn Abbott (16) and **Bob Setren (18)**. Thank you for all your support! HUGE thanks to Stubby for grilling up his famous BBQ dinner for us this evening - everything was wonderful, as always! Also, thank you to everyone that brought sides and snacks - we appreciate your contributions so much! Please join us tomorrow for the 3rd day of the State Shoot - shooting starts at 11:00am.
