**On a Sad Note.**

We have just received news that Barbara Sims passed away August 12<sup>th</sup>. She and her husband Marvin shot together for many years and they attended the Idaho PITA state shoot a number of times. Barbara was a good shooter and very active with the PITA. She served as President for two years – in 1997 and 1998, and was a driving force in the establishment of the PITA Hall of Fame and Museum. She was inducted into the Hall of Fame in 2011.

She and Marvin were good shooters, good friends, and good people. A lot of us have many good memories of Barbara.

Well, the target year is winding down in Idaho. We still have a two-day shoot in September at Twin Falls, the October Multiplex and a shoot in Boise in October, and then Caldwell kicks off the new target year with a shoot in November.

**Shooters – Remember!** If you would like your win points from any ATA cross-registered shoot, or from any PITA shoots outside of Idaho (excluding the Grand Pacific) to count toward placement on the 2018 All-Star Team, they must be turned in before November 1<sup>st</sup>.

Our member clubs thank you for your attendance at their shoots during this target year and look forward to seeing you again soon. Support your local club with leagues and practice shooting this winter.
