The Day In Review

Day 4 of the State Shoot was full of excitement, and thankfully the weather stayed nice until right before the shoot-offs. Today's event was sponsored by Seekins Ford - thank you for your continued support of the PITA State Shoot! There were two shoot-offs: the first was for AA between **Brett Neider (25)** and Cody Kurkowski (24), and Senior Vet between **Jay Davis (25)** and Don Heavilin(17). We had our annual meeting after trophy presentations to discuss various topics, including - thank yous, sponsors, board member appointments, suggested schedule changes, All-Star and HOA Teams, and Wayne Berthol's induction to the Hall of Fame. Congratulations Wayne, and thank you for all that you contribute to the great sport of trap shooting! Our incredible BBQ Banquet Dinner was cooked by Ray Flores - BIG, BIG THANK YOU TO RAY! We really appreciate you feeding all us hungry shooters yet again this year - it was amazing as always! PITA family please keep Arine Grimes in your thoughts and prayers for a continued recovery.
