## **WELCOME TO THE 1ST ANNUAL PITA FALL CLASSIC!**

Hello Shooters,

It is my great pleasure to welcome you to the 1st Annual PITA Fall Classic. This event could not have been produced without the dedication and cooperation of our participating clubs and our Fall Classic Committee. If you have the opportunity, please take some time to thank Mike Riggs, Betty Phipps, Lonny Brown, Bob Robertson, and John Adams. They have worked tirelessly for months to wrangle clubs, cashiers, and information to produce this program of events.

While a telephonic shoot is definitely not a new concept, an event of this type has not been presented by the PITA for many years. We're always trying to find new ways to get shooters to participate and this is just the latest (and definitely not the last), in a series of new events. For example, we have expanded the Multiplex to a three-season program that will allow you to shoot the first week of every month throughout the year. See page 23 for more details.

We hope you enjoy this telephonic shoot and that your club will see the success we experience this year and consider offering this event at their location next year.

Finally, we could not run events such as this without the help of numerous volunteers, club managers, club board members, and especially you.

Thank You & Shoot Well!  
~ Jennifer Carter, PITA President
