May 14-16, 2021

Hosted by
FALLON TRAP CLUB

Annual Nevada PITA State Team Selection Procedure

The Nevada State PITA organization shall use the following procedure when selecting the Nevada PITA State Team. A selection committee shall perform this task at the end of a PITA shooting year. After making the announcement of the new team, awards for this new team shall be presented during the upcoming Nevada PITA State Shoot.

The PITA State Team shall consist of ten (10) individuals. All Nevada PITA shooters that meet the qualification listed below shall be placed into a pool of candidates for the State team. They will be ranked based on their overall target average of the three (3) PITA disciplines (Singles; Handicap; Doubles). The pool's top ten (10) individuals will be assigned as the State Team.

To qualify for selection to the State Team, a PITA shooter must meet the following requirements:

A) Must reside at a legal residence within the State of Nevada at the end of the Shooting year

B) Must have a minimum of 1000 targets on record for each of the three (3) PITA disciplines. All PITA cross-registered targets obtained from an ATA event that are shot at a Nevada club shall count toward this requirement.

C) Must participate in all three (3) Championship events held at the annual PITA State Shoot.

D) Registered target requirements must include PITA targets registered at at least three (3) different Nevada clubs that are hosting a PITA shooting event. **It is to be noted:** The club holding the State Shoot cannot be counted as one of these clubs unless you as a shooter attend another PITA shoot at that club outside the State Shoot.

Welcome to the 2021 Nevada State PITA Shoot

I am pleased to announce that the 2019 PITA trap shooting season resulted in very good participation. I would like to thank Winnemucca Trap Club, Orovada Trap Club, Boulder Trap Club and Mason Valley Gun Club, Spring Creek Trap Club, Flying Saucer Trap Club, Capitol City Gun Club as well as our host club Fallon Trap Club for helping make 2019 a success for NSPITA. All of these clubs have donated money to be added to this year's prize package.

In order to maintain the integrity of the 2021 Nevada State Shoot we are limiting registration to 25 squads. The Fallon Trap Club and NSPITA want to make this year's State Shoot an enjoyable event for everyone. Your opinions are important to us and we can't improve without them.

A special thank you to the City of Fallon and the Fallon Tourism as well as all the businesses that generously supported this years State Shoot. Please take a moment to check their advertisements in this program and frequent their businesses during your stay in Fallon.

Thank You Shooters

THE DAN ORLICH AWARD

On July 20th, 1969 Dan Orlich won The Grand Pacific High All Around Championship with a perfect score of 400 x 400. This was accomplished at the PITA Grand Pacific Trapshooting Tournament hosted by Harold's Trapshooting Club in Reno NV. Dan is the first shooter in trapshooting history to post a perfect 400 x 400. Dan Orlich is also the current record holder on singles averages with his .9982 in 1968 remaining an all-time high. In doubles, Dan Orlich was the first in history to break 100 three, four and five times. He has six of them to his credit. Among his accomplishment, Orlich also counts the most consecutive Champion of Champions titles. Nevada State championships number 25-ten in singles, three in handicap, five in doubles and seven in the all-around. He has earned 10 Western Zone ATA championships-three singles, two handicap, one doubles and four in all-around.

Again this year we will have the Dan Orlich Award with \$500.00 going to the High All Around Champion and \$100.00 to the HAA winner in AA, A, B, C and D classes. Open to Nevada residents only. Nevada Bighorns Unlimited, Fallon Chapter

- Nevada Bighorns Unlimited, Fallon Chapter is a 501(c)(3) non-profit organization which directs its efforts toward the enhancement, re-establishment, and management of the bighorn sheep and other wildlife within the state of Nevada. This organization works to enhance and improve Nevada's wildlife through social and educational means, engaging the support of sportsmen, individuals, and businesses who share an interest in the conservation, preservation, and propagation of Nevada's wildlife.
- Nevada Bighorns Unlimited, Fallon Chapter was founded in the early 1980s to address the decline of Nevada's bighorn populations which were estimated to have exceeded 30,000 in 1860. Based on historical, archaeological, and biological research, Nevada's bighorn numbers have increased from a level of between 2,000 to 3,000 in 1960 to 6,500 in 2001 through the intensified management of the 1980s to restore bighorn populations to many of their historic ranges through habitat improvement and transplant programs. It is for this purpose that Nevada Bighorns Unlimited, Fallon Chapter has and will continue to direct its efforts. Along with the efforts of other sportsmen's organizations and wildlife agencies, we aim to ensure that this species will endure and in the process conserve, preserve, and propagate Nevada's wildlife. Nevada Bighorns Unlimited, Fallon Chapter was incorporated in 1986, and is managed by an elected Board of Directors and General Membership of no more than 20 individuals, and operates on a strictly volunteer basis.
- Nevada Bighorns Unlimited, Fallon Chapter accomplishes its mission by holding an annual banquet, with profits increasing from \$6,379 in 2014 to over \$18,000 for 2016. Funds generated by this event are used for the conservation, preservation, and propagation of the Nevada desert bighorn sheep as well as other wildlife of the state of Nevada through donations to the Nevada Department of Wildlife, the Bureau of Land Management, and similar agencies. These funds are used for trapping and transplanting of bighorn sheep along with water developments and habitat improvements which directly benefit bighorn sheep and other wildlife as well as sportsmen, wildlife enthusiasts and local businesses. Members also donate manpower as the need arises to the Nevada Department of Wildlife and the Bureau of Land Management to construct water developments and aid in the capture and transplanting of bighorn sheep.
- Nevada Bighorns Unlimited, Fallon Chapter operates on a strictly volunteer basis and maintains a simple and transparent financial plan through the collective efforts of its treasurer and board membership. An operating balance of around \$50,000 is maintained to provide funding for an annual dinner banquet and to purchase merchandise that is auctioned and raffled at this event. Profit generated by this event is considered excess and is made available for proposed requests for funding wildlife projects that are compatible with the organization's goals and the voting membership decides to meet the requests or not. Business operating expense is minimal with an annual corporation expense of \$50, post office rental of \$130, and bank fees of \$60. Tax preparation fees are donated by a local accountant. Building capacity dictates the possible growth of banquet attendees to a limit of 300, therefore an increase of profit margin lies in reducing cost and increasing charitable donations.
