SHOOT FOR THE LEWIS \$\$\$\$

All PITA rules apply.

NEWMAN ENTRY FEE: \$21 per event (includes the ALL locations Lewis purse of \$8.00 and expense fee of \$1.25), plus \$4 PITA daily fee and CSTA \$.02 per target fee.

PITA Multiplex Cashier will combine scores from ALL locations, compute LEWIS CLASS PURSE winners for each event (\$8.00 of each entry forms the Lewis purse paid one group for each 10 entries, maximum of four groups, 60%-40% high gun-US Funds) and mail checks to winners after each season's last month. A total of \$9.25 is sent to PITA--\$8 for Lewis and \$1.25 for expenses.

Each season will have pins for High Over All and High Over All in each State/Province—awarded to the shooter with the highest score of ALL clubs participating in each monthly event based on 600 targets (excluding sub-gauge). Pins are awarded based on your state/province of residency--not where you shot your targets.

Results will be posted at www.shootpita.com.

Common questions:

You **cannot** have anyone shooting practice targets on the same squad with those shooting registered targets. (PITA Rulebook pg. 14, item j)

If a club only has one or two shooters that want to participate their squad will need a referee in addition to the scorekeeper (PITA Rulebook pg. 16, Squads, item b, last sentence)

Scores will be reported on the Event Entry Form (Excel spreadsheet) to the Multiplex cashier as soon as possible. PITA fees are mailed to PITA, PO Box 5276, Twin Falls, ID 83303. State/Provincial fees are mailed directly to the State/Provincial Treasurer.

Once recorded, the scores will be posted at www.shootpita.com for the club to verify with the original score sheets. We must assure scores are recorded correctly before the purses can be computed. All payout results are final on the date posted on the website results page.

Records and score sheets from these events will be retained by the club for at least two years per PITA rules.
