## YOUTH – EDUCATION - SHOOTING

Good Day,

January 19, 2022

The purpose of this letter is to acquaint you with our Association and also an unabashed effort to solicit your support. The Pacific International Trapshooting Association is a primarily West Coast, Alaska and Hawaii organization which promotes the sport of trapshooting through registered competitions. Within the PITA is our youth shooting program called Youth-Education-Shooting or YES for short.

The YES program is a 501(c)3 organization whose goals are the promotion of good sportsmanship, citizenship and safe/responsible participation in shotgun sports shooting through organized competition and instruction. Youths in our various State/Provincial Associations receive instruction and coaching at a local club level to advance their skills. Annually the PITA hosts the Grand Pacific Tournament which is weeklong event where our youth shooters compete among themselves for some \$6,000 in scholarships and trophies. All this happens through volunteers at all levels within the Association.

I am the President of the YES program and this is a legitimate request for your support of our program. Any donation or product, large or small, is appreciated and will be put to good use. When appropriate we place donated items in a silent auction, use them in a raffle or make them trophies. If items are received before March 15<sup>th</sup> your name will be included in our Grand Pacific program.

YES is always in dire need of cash donations to help sponsor the scholarships that are awarded to our youth shooters. Sponsors will receive advertising (quarter page) in the Grand Pacific program with a cash donation of \$500 or more which must be received no later than March 15<sup>th</sup> of each year. You will receive recognition at our event and we are happy to distribute any promotional material you can provide. Merchandise and cash donations can be sent to the PITA-YES, 38753 Collins Lane, Lebanon, OR 97355.

Please visit our websites, <https://shootpita.com/youth-education-shooting-yes/> for additional information. Any questions simply call or email.

Thank you in advance,

Melanie Foster, YES President
