PITA Singles Champion Mac Robertson continued his winning ways by shooting the only straight scores in both Singles contests, winning A Doubles and winning long yardage in both Handicap events. Mac crushed the field by 21 targets in the HIGH OVER ALL and secured the Jim Mast Memorial buckle for his first time by downing 358 out of 400 Handicap targets at the spring and summer shoots at Myrtle Point. Runner-up for the Mast Memorial buckle was Jeff Stephens with a 353 x 400.

First time PITA shooter Joe Briggs won the B Class Singles on Sunday with a 98 and followed that with a field high 94 in the Handicap for his first full yard punch in only his second Handicap competition.

Daro Handy came to Myrtle Point having recently been reduced to the 26 yard line for the first time since he first achieved the back fence in 1963. Daro was uncomfortable standing at the 26 yard line and had a hard time remembering to "scoot forward", but he remedied that situation with a field high 94 in Sunday's Handicap which earned him a full yard and reinstatement to the back fence where he will be much more comfortable continuing his storied trapshooting career.

First time Junior Lady shooter Morgan Mason shot her first PITA Singles targets on Sunday and came within a whisker of her first registered 25 straight with a 24 on her third trap.

Respectfully Submitted,
Mike Mann
