Congratulations to all shooters making the teams.

One important change for 2023 is that targets cross registered at an ATA shoot will still be counted for average and target points but win points will no longer be counted

Idaho Shooters who were named to the Parent PITA All-Star teams were: Perry, Brown, Houser, Wickham, Kay Klundt, Visser, Ruggles, and Carter.

If you would like to set a goal of making one of the All-Star teams, make sure you know what the requirements are. They are quite a bit different between the state and National teams. You can get a list of Idaho team requirements from any of the selection committee members (Clay Brown, Calvin Kidney or Kent Harris) and requirements for the Parent PITA teams are listed in the PITA rule book.

Remember you can shoot the Multiplex each month and the SRTA league is starting at many of the local clubs.

Support your local clubs and the better weather and registered shoots will be here soon.

Until next time:
Shoot!
Try to Win!!
Have Fun!!!
