Welcome all PITA Shooters!

sportco.com

Welcome Shooters,

On behalf of the PITA Executive Committee, I would like to welcome you to the 2023 Grand Pacific Tournament, the 92nd Annual Grand Pacific. As you read through the program you will note that a few changes have been made, some dictated by the ever-changing environment that we all face on a daily basis.

For those members who have not attended the Grand, I would encourage you to considering doing so, and for those of you who faithfully attend the Grand, welcome back. Federal ammunition will be available for PITA members shooting the Grand.

I would strongly encourage you to support and become involved with your local clubs, state/provincial associations as well as the PITA Association. Many hands and minds make for success! Anyone interested in volunteering at the Grand just needs to check in with the Shoot Coordinator – let them know you're available when you are not shooting.

There are non-shooting events that stand out that I invite you to attend:

- The Hall of Fame Induction Ceremony on Thursday evening. This year the Hall of Fame and the Executive Committee are working together to provide a dinner for the event.
- The Annual Meeting of Delegates on Friday morning before the daily events begin.
- The YES Program (Youth/Education/Scholarship Program) will be serving dinner on Friday evening.

Check out the program for details on these events as well as the PITA Raffle, the BT-99 shoot off, the YES and Hall of Fame auction tables. If you have questions, head to the Members Service table for answers.

Vendors, Grand Pacific Sponsors and Donors thank you for your support. We appreciate your support and presence!

Good luck and shoot well...

Mike Riggs and the Executive Committee

Dear Shooters,

On behalf of the P.I.T.A. Executive Committee, I would like to give a brief explanation of increase in target fees you will find in this program.

I'm sure you have noticed that the cost of everyday goods and services have been rising at a pretty steady rate lately. Your monthly budget for everything from fuel to food has been affected by multiple factors: the supply-chain crisis that is leading to a demand-supply imbalance; prices of raw materials, have spiked, which is leading to higher manufacturing costs; and higher energy costs lead to an increase in logistics costs – it takes more to transport goods.

Target, ammunition, and component prices have not been exempted from these changes. Labor prices, lack of workers, supply chain issues, and a drastic increase in raw material costs have all had an effect on the cost we're paying for these items. But the reality of our target increases goes much deeper.

Quite simply put, we have not increased our target fees as often as we should have. A few years ago, in my annual yearbook letter to the members, I wrote about this disparity. In 1934, entry fees for 100 targets cost our members \$5.00. Had we increased our fees along with the inflation rate, we would be paying \$ 112.25 per hundred today. The \$46 we're paying today is what we should have charged in 1988.

The reality is that we charged what we needed to charge in order to not lose money and to be good stewards of your entry fees. We, your P.I.T.A. Executive Committee, take our role in planning the Grand Pacific very seriously. We look at every aspect of the shoot and do everything we can to keep our prices low and our benefits high. The target fees for this event were discussed at length and ultimately, we had to make this decision in the best interest of the association.

We look forward to seeing you at the 2023 Grand Pacific.

Jennifer Carter

EVERGREEN SPORTSMEN'S CLUB

President's Message...

Evergreen Sportsmen's Club would like to welcome all of the shooters, visitors, vendors and their families to the 2023 PITA Grand Pacific Trapshooting Tournament!

Jeremy and crew are already working hard to prepare our facility for you and Scott will be back again this year to help this event run smoothly. We have spent the last year improving the sound system and getting better internet in and around the clubhouse. We are continuing to improve the grounds and roads and hope to have a lot of that completed before you come and see us in July.

Scorekeepers this year will be the dance team, as well as the Rochester High School Trap Team! We are excited to have the RHS Trap team there as this will give them a chance to see how it's done! Hopefully you will see a handful of them on the line next to you in the coming years. These kids are the future of our sport!

RV Reservations

RV Space Reservations are open to the public and spaces are filling up! Book your space at <https://www.campspot.com/book/shootevergreen>. Golf Carts are available again this year, but at a package rate, not per day.

As a reminder, if you are on a 20-amp RV site, you can only run your air conditioners off of generator power. Last year it was extremely hot, and many people chose to ignore that warning. Because of that, we lost power on the lines multiple times and it ended up damaging some of our electrical equipment. Please, be courteous to your fellow line campers, and to ESC by bringing a generator to run your AC. Violators may be excluded from future RV booking at ESC.

Vendor Sites

As per the contract with PITA, vendor sites are free. Vendors need to register by emailing Dan Solie – President at shootevergreen@gmail.com, and let us know what you are vending and how big of space you require. These spaces will not have any utilities available. All vendors need to register by July 1st for space planning purposes.

While ESC isn't handling food this year, we have heard that PITA has secured a food vendor and we are donating our kitchen facilities to them to help make it a success!

Also, if you are in the area, please join us for our other events this year!

May 26- 28 - Memorial Day Shoot

July 1 & 2 - 4th of July Shoot

July 13-16 - WSPITA State Shoot

September 2-4 - PITA Fall Classic

From the entire Board of Trustees, our Staff and our Volunteers, we welcome you to the Evergreen Sportsmen's Club!

Shooter requested squad changes require a \$10.00 change fee. You will be assigned to the same bank of traps as your original squad. If you have questions about this, please speak with shoot management. When necessary (i.e., machine malfunction, uneven bank rotations or other problems) squads may be moved to open banks to facilitate event completion.

EARNED YARDAGE: Should earned yardage cause more than the allowable yardage variation within the squad the shooter earning yardage will be assigned to the nearest compatible squad.

Dear Members,

The PITA Executive Committee would like to thank you for your donations to the Youth Fund.

In the past, the Youth Fund was used to cover the cost of free memberships to youth shooters; is no longer being done. Your generous Youth Fund donations are now being used to sponsor youth trophies for Junior and Sub-Junior All Stars, as well as Junior and Sub-Junior trophies at the Grand Pacific and at the Fall Classic.

In 2022, we received \$2200 in Youth donations. The board divided that money among the youth All-Stars \$300, the Grand Pacific \$1,000, and the Fall Classic \$900.

Team members must register by Thursday, July 27th at 8:00 a.m. **A complimentary team photo can be taken during trophy table hours.**

Teams will be comprised of one shooter from each class, AAA, AA, A, B, C, D. The team with the highest total of combined scores for Events #11 & #13 will be the 2023 winning team. Each member of the winning team receives a range bag designating them as a Grand Pacific Singles Team Champion.

Example: Class A shooter is not available, a Class B, C or D shooter may substitute for the missing class. A Class AA shooter cannot substitute for an A Class shooter, etc.
- ★ Each shooter can be a member of only one team.
