On behalf of the La Grande Gun Club, I would like to welcome you to our PITA shoot. Our board members, volunteers, college and high school shooters are all excited to host this years' competition. Along with a great shoot, you can expect a delicious dutch oven dinner on Saturday night with cornhole and great conversation.

We greatly appreciate all of the businesses that donated to our program. With the rise in inflation, our dollar is stretched thin, and these businesses continue to support our local gun club. Please take some time to look over the ads in this program and support these local organizations.

We are excited to spend the weekend with family and friends. Good luck to all of the shooters and we will see you in June.
