PRESIDENT
Camas Prairie
Trapshooting
Association

HELLO SHOOTERS!

On behalf of the Camas Prairie Trapshooting Association, it is my sincere pleasure to welcome all shooters to the 2024 Camas Prairie Handicap Championships. This year marks the 70th iteration of this legendary Pacific Northwest favorite, and the 16th year hosted at the Walla Walla Gun Club.

Regardless of class, category, or ability, the Camas Prairie Handicap Championship is an awesome venue to start your tournament season, or just participate to have fun while gaining experience in competition. Youth shooters will benefit tremendously from the competitive experience they can gain, even if it is just shooting the championship singles.

I want to thank all our member clubs, sponsors, and vendors for their participation and advertising in our program. I encourage all shooters to support these generous businesses and individuals for their contribution to our association and the Camas Prairie Handicap Championship. I wish the best of luck to all shooters, and I look forward to seeing you in Walla Walla.

2024 CAMAS PRAIRIE SHOOTERS...
WELCOME BACK TO
WALLA WALLA GUN CLUB!

Walla Walla Gun Club is pleased to welcome you back for the 70th Annual Camas Prairie Handicap.

This is the 16th straight year that WWGC has hosted this great shooting event. On behalf of all of us at WWGC, we really appreciate the great work of CPTA President Terry John, VP Chase Nuxoll,

Secretary-Treasurer Shannon Olsen, and many others to make this shoot bigger and better each year.

We welcomed 319 shooters to this shoot in 2019, by far the biggest turnout we've had since moving the shoot to Walla Walla. With Covid behind us, I'll wager that 2024 will see growth again with moderating prices for shells and fuel.

By the way, you may notice our new covered pistol range just completed down by the gate as you drive in. When you come back to Walla Walla this year, be sure to bring your handguns or rimfire rifles for some extra fun.

We have our great kitchen crew back this year. **Jennifer Bishop** is the owner of the Burger Hut in Milton-Freewater. She knows exactly what kind of meals make shooters happy.

Please let me know how we can make your trip and your experience more enjoyable. See you soon at WWGC!

HISTORY OF THE CAMAS PRAIRIE TRAPSHOOTING ASSOCIATION

by MIKE HALLISEY

Past President CPTA

The Camas Prairie Trapshooting Association was dreamed up in the fall of 1953. Willard Smith of Craigmont is generally regarded as the originator of the idea of having seven small clubs become binding and competing against one another in a group to be called the Camas Prairie Trapshooting Association.

The seven small clubs who formed the original association were Winchester, Culdesac, Orofino, Cottonwood, Grangeville, Kamiah and Nezperce. Because each of the clubs was comprised of half a dozen or so veteran shooters, it was recognized that new blood and encouragement was necessary. Various means to this end were kicked around and it was the feeling of Smith and others that if the opportunity to win trophies was the theme, then perhaps this would provide the necessary inducement for them to join the fold. It is interesting to note that over the years almost every one of the original members of the CPTA is still active in some way. In 1960. Riggins was also admitted.

The annual shoot-offs grew in popularity, and so it was that Troy-Deary, Pomeroy, Colton, Pullman, St. Maries, Garfield, Pierce, Potlatch and Lewiston, who divided into Ranger, Shurshots, Victors and Experts, asked to be admitted and were welcomed into the present association. In 1984 Coeur d'Alene and Endicott were added to the association. In 1986, Coeur d'Alene and Salmon River were dropped for non-participation and Hauser Lake was added. In 1987 Whitebird Gun Club was admitted. The annual shoot-off became so popular that it was one of the largest shoots held in the Northwest and Lewiston Gun Club had the only facility adequate to accommodate the large number of shooters wishing to attend.

We are proud of the accomplishment, and it's easy to think back over the years and remember our first shoot-off when six or seven squads gathered for a non-registered go at the clay birds. No doubt some younger shooters would be amused if they could have seen us shooting over old, hand pulled traps located on grounds that could only be called primitive. In many cases there were only four or five trap guns in an entire club so they were shared by the whole membership. We took our turn setting birds, keeping score and pulling traps. After a whirl in the traphouse and on the end of the pipe handle used to cock and release the trap, you felt like you had spent a hard day in the salt mines.

Then, as now, there were some pretty fancy scores testifying to the fact that the old boys were tough in anybody's company, one would have thought that thousands of dollars rested on the outcome of the early contests.

Proof that the original intentions of increasing interest in shotgun shooting have been attained is also evident in the large membership and modern grounds and facilities enjoyed by all clubs in the Camas Prairie Association. To name all the people responsible for the popularity and success of the CPTA would be impossible in this small space. We are especially proud of X.E. Durant, a past president of the ATA who was chairman of the Central Handicap Committee for the ATA. Dan McKenzie of Troy has served as president of the ATA. In 1960 the CPTA was featured in *Trap & Field* magazine as a unique and noteworthy organization and focused national attention on our group.

This year, we are pleased to once more hold our shoot at one of our newer member clubs, Walla Walla Gun Club. For 16 years, Camas Prairie shooters have found Walla Walla to be a great place to hold the shoot, and to continue our almost three-quarters century history for many more generations.
