Idaho Pacific International Trapshooting Association

Dear Friends,

The First Lady and I are delighted to welcome you to the 2025 Idaho Pacific International Trapshooting Association Annual Championship. Idaho's connection to sport shooting runs deep, reflected in our state's role as a charter member of this association. We are proud to recognize and support the enduring strength of this time-honored sport.

Those competing this weekend carry forward a respected Idaho legacy. This championship also highlights our constitutionally protected right to bear arms – a right that is inseparable from a strong culture of responsibility and respect. I commend you for upholding these principles and for instilling them in the next generation of sportsmen, helping ensure Idaho remains a safe and vibrant place for families today and in the future.

As you enjoy the competition, I encourage you to also pause in remembrance of the brave men and women of our armed forces who have sacrificed so much in service to our nation. Their dedication and courage make our freedoms – and gatherings like this one – possible.

My best wishes to all for a safe, successful, and memorable event at the Twin Falls Gun Club. It is gratifying to see the proud tradition of trapshooting continue to thrive in Idaho.

Sincerely,

Brad Little
Governor of Idaho

Idaho State PITA President's Message

The Idaho PITA directors would like to welcome you to the 2026 Idaho PITA State trap shoot being held at the Twin Falls Gun Club in Twin Falls, Idaho. With the help of the Twin Falls Gun Club's board and members will be hosting the shoot, the Idaho PITA board will be running the shoot. Those duties and responsibilities include but not limited to cashiering, registration, handicapping, target setting, trophies and the annual board meeting.

We will be having the buddy shoot on Friday night complete with custom engraved buckles for the champion team. Sign-ups will start after registered shooting is finished and the announcement is made at the club; see the ad in this program for details. Enjoy a fried chicken dinner and grab your buddy and join us in a fun shoot out. Participants need not be registered shooters to participate. Everyone is welcome to participate in this event.

As you are reading through the program, you will see advertisers and donors that help support the sport we all love. If possible be sure to patronize the business and thank them for all their support and donations. Without their support and hard work our shoot would not be what it is today.

Kay Klundt will be cashiering the shoot this year; she makes it so much easier for the shooters to enjoy the shoot with all of her experience. As many of you know, she is the PITA Executive Secretary. Should you need any assistance with PITA information, please see her at the cashier's table during the shoot.

Feel free to contact myself or any of the hardworking Idaho PITA board of directors with questions or comments concerning the shoot. We will do all we can to make your stay and shooting experience enjoyable. I would like to thanks all the shooters that attend any of the shoots in our great state of Idaho for your support. We are lucky to have such a supportive state to enjoy our right to keep and bear arms.

Good luck shooters, trap shooting is a sport enjoyed by friends and family of all ages.

WAYLON KLUNDT
President, Idaho PITA

JOHNNY C. GRAY 1905-1944 2026 Posthumous Inductee
Idaho Trapshooting Hall of Fame

While going through miscellaneous Hall of Fame files and paperwork at the Boise Gun Club, Kent Harris found information about Johnny Gray and recognized that this Idaho shooter deserved HOF recognition.

Johnny Clarence Gray was born June 18, 1905, in Boise Idaho. He grew up in Boise, and later moved to Nampa, graduating from Nampa High School in 1925. Johnny worked for his father's laundry business (Troy Laundry). He registered for the military draft in 1940 or 1941 at 35 years of age and entered the US Army in 1942 or 43. Because of his experience in the laundry business, he was eventually assigned to the 130th Chemical Processing Company with rank of Master Sgt. John was in charge of running a laundry in England when he was killed on July 3, 1944. He is buried in an English WWII cemetery, and a photo of his headstone is included in this application.

Johnny grew up in a shooting family and was a third-generation shooter. (Boise Gun Club records). Growing up, Johnny spent a lot of time at the Boise Gun Club with his grandfather, John G. Gray, who was shooting in the very early 1900's and was still shooting on the late 1920's.

(Editor's note: As you read about this fine man, please remember to note the conditions trap shooters in those years had to take into consideration. Plastic ammunition and in particular plastic wads did not appear until the early 1960's. You either shot paper hulls, or even brass hulls were available, although most of these were used for black powder guns. Reloading was much more involved and even required certain specific pressures to be used to seat the felt wads of the time, hence the competitions were 50 target events, and even 25 targets at some smaller league shoots. — MK)

Johnny started his own shooting career in the 1920's, and even after moving to Nampa, he still considered Boise his home or main club. He usually shot on Boise teams at the many team shoots that were popular at that time (Elks team shoots, etc.). He also attended shoots throughout the West, including Oregon and Utah. Jon even shot at the Grand American Handicap at least once, in 1943 (a rare thing for a western shooter in those days), and was a winner. There was a special Army-Navy team race, with Army the winner, which included John Gray as a team member.

Johnny made significant contributions to Idaho trapshooting. At the local level, from the time he was a young boy in the 1910's to when he entered the military in the early 1940's he was involved with and support clubs such as Boise and Nampa. He helped run shoots and worked many projects (Boise Gun Club records). At the state level aftet the PITA was organized in the early 1930's, Johnny became active at the state level and helped run Idaho State Shoots, both ATA and PITA, until he went into the military in the early 1940's. Nationally, in 1934 or 1935 Johnny was a national PITA Director and in 1938 he served a term as President of the PITA, joining J. O. Cotant as the only other Idaho shooters to every hold that office.

It was mentioned in one of the shooting magazines of the day that Johnny was respected for his shooting ability and was well liked by his peers. His election as PITA President was cited as an example of this respect.

Johnny had many notable accomplishments during his shooting career. He held Idaho State Championships 12 times and won PITA Singles in 1935, 1936, 1940, and tied in Singles in 1941. He won HAA in 1936, and Doubles in 1941 and 1942. At the ATA he won HAA in 1933 and 1940. He won trophies in Doubles in 1933; Singles and Doubles in 1937 and Doubles in 1940. In 1938 he had the highest mid-year average for the entire PITA; in 1939 he had the second highest singles average for Idaho. In 1941 he was the PITA Eastern Zone shot singles champion, doubles R-U, HAA and long run for the year as well as the high singles average for Idaho. In 1942 he was high for Idaho in all three shooting disciplines. In 1943 he was on the Grand American winning team for the special Army-Navy team race. It is possible that these were the last registered targets he shot, as he was killed the following year.

For over 30 years Johhny Gray was around gun clubs, worked at gun clubs and shot at gun clubs. Many of his accomplishments have been lost to the passage of time, but it is safe to say that he was one of the greatest shooters to ever come out of the state of Idaho.

He was one of what has been called the "greatest generation" of Americans, and there is a saying about people who serve in the military that "All gave some and some gave all."

Johnny C Gray "gave all" on July 3rd, 1944, and a wonderful shooting career was cut short at its peak. May he rest in peace.

GRANT WILLIAMS: 2026 Inductee Idaho Trapshooting Hall of Fame

We would like to recognize Grant Williams for achievement, sportsmanship, and commitment to trapshooting. A native of Kellogg, Idaho, Grant currently resides in Kingston with his wife Cari and their two children. an eight-year-old son and six-year-old daughter. He is the son of Darin and Beth Williams and brother to Garrett Williams. Professionally, Grant works as a Journeyman Main fitter for Avista Utilities, balancing a demanding career with his passion for trapshooting.

Grant's journey in competitive shooting began at the remarkable age of 11, though he recalls his earliest experiences breaking targets at just eight years old, around the year 2000. By 2003, he was already registering targets, setting the stage for an outstanding career. From the outset, Grant distinguished himself on the trap fields, dominating Sub Junior and Junior divisions , amassing most of the available trophies across Idaho. His success has carried into adulthood, where he continues to add state and national titles to his impressive résumé.

Described by friends and family as soft-spoken, humble, friendly, and hard-working, Grant embodies the very best qualities of a champion athlete and role model. These traits, though unexpected in the world of high-level competition, have only amplified his respect and admiration among peers.

Grant Williams' competitive record is nothing short of extraordinary. His Amateur Trapshooting Association (ATA) career fills eight pages, each brimming with championship-caliber performances. Notably, he and his father Darin are the first father-son duo to both be inducted into the Idaho State Trapshooting Hall of Fame—a testament to their family's deep roots in the sport. Grant's trophy count as a champion is stunning: Utah: 3; Idaho: 58; Oregon: 5; Inland Empire: 5; Washington: 29; Western Zone: 15; Montana: 7; Grand American: 6.

Grant's victories at the Grand American, the premier event in the sport, began in 2007 at age 16 with several trophies, including President Handicap Sub Junior runner-up, Clay Target Sub Junior runner-up, All-Around semi-finalist, and Doubles runner-up champion. In 2010, he captured Junior trophies for Clay Target Champion, Clay Target McGarry, Kolar Arms Handicap runner-up, and Gun Stock Doubles runner-up.

A highlight of Grant's career came in August 2022, when he captured the 123rd Grand American Trapshooting High All-Around Championship in Sparta, Illinois. Competing against more than 3,000 of the world's top shooters, Grant's aggregate score of 398 out of a possible 400 cemented his status as one of the finest 12-gauge trapshooters globally. His victory was celebrated by shooters across Idaho, all proud to watch him bring home the prestigious High All-Around Award.

Trapshooting excellence runs deep in the Williams family. Grant's father, Darin, and uncle, Beaver, were both accomplished shooters, following in the footsteps of their father, Floyd Williams. The tradition continues into the next generation, with Beaver's son Derek and Darin's sons, Grant and Garrett, carrying the torch. Darin's own place in the Hall of Fame foreshadowed Grant's inevitable induction.

Grant's winning ways have not slowed. In 2023 alone, he claimed titles such as 100 Handicap Champion (8th), Double AA, All-Around Champion runner-up, NRA Singles AAA, Doubles Champion and AAA runner-up, and Doubles Champion AAA 5th place.

His overall ATA target milestones as of January 24, 2025, are remarkable: Singles: 45,800 targets; Doubles: 32,500 targets ; Handicap: 46,300 targets

He achieved 25,000 targets in Handicap (8/11/2014), Singles (5/28/2015), and Doubles (6/14/2021), and has been an ATA Life Membership since July 10, 2009. His All-American Team placements include Junior 3rd in 2011 and Open 1st in 2023. He completed the prestigious Grand Slam on July 27, 2013.

Congratulations to Grant Williams on his induction into the 2026 Idaho Trapshooting Hall of Fame. His legacy is defined by his competitive excellence, unwavering humility, and enduring family tradition. As he joins his father in the Idaho Trapshooting Hall of Fame, we honor him for his achievements and his profound impact on trapshooting.

What Headquarters, Idaho looked like in 1942 (including their singles trap).

J.A. (Jim) Wade a tradesman (professional) from 1938 with his vest full of awards.

Camas Prairie scrap books and history.

Idaho's trapshooting connection to the Sunshine Mine disaster.

The Baker Family from Twin Falls area early 1900's. Ten people (six females) and ten guns. Used for subsistence?? Protection??

The reference library. We have over 130 books and 60 binders with thousands of pages covering almost any shotgun subject you can think of. If you find something you like, we have a copy machine for your use.

SPECIAL THANKS TO THE IDAHO HERITAGE TRUST! Through a generous grant we have been able to restore and preserve many of our oldest pictures. (many are over one hundred years old and in bad repair).

Best of Luck for a great shooting year in 2026.

GC-02 DOUBLES – FAILURE TO FIRE CURRENT RULE: SECTION B
FAILURE TO FIRE – DOUBLES

A contestant will be allowed two failures to fire for a sub-event. When the first target is broken And a failure to fire occurs on the second target, the contestant will receive a new pair, which will be scored as shot (for that pair). The first pair will be disregarded (for score). A failure to fire will be allowed on the second target if the first target was shot at and missed and you have a failure to fire on the second target. It will be scored as follows: on your second pair of targets your first target will be marked lost and your second target will be scored as appropriate. The shooter must shoot at both targets, not just the second target. Examples of failure to fire causes include Broken gun, indented primer, dud shell when the wad remains in the barrel, flinches, malfunctions of any kind, etc.
When a contestant breaks the first target and his gun malfunctions by automatically firing again immediately after the first shot in what is commonly described as machine gunning or doubling, the pair will not be scored, and the contestant will receive a new pair. The second pair will be scored as shot. A malfunction of this nature shall be recorded as a failure to fire with two per sub-event allowed. All subsequent doubling malfunctions will be declared as lost a pair.

The scorer will indicate an "F" in the box on the score sheet for reach failure to fire and another pair of targets will be allowed. After two "F's" per sub-event all subsequent failure to fire will be declared lost and scored accordingly.

PROPOSED CHANGE: SECTION B TARGET RULES
DOUBLES - FAILURE TO FIRE

Examples of failure to fire causes included: **A ~~B~~ broken** gun, **an** indented primer, **a** dud shell when the wad remains in the barrel, flinches, malfunctions **~~of any kind~~**, etc. It will be considered a Failure to Fire when:

1. The ~~first target is broken~~ **contestant breaks the first target** and a failure to fire occurs on the second target, the contestant will receive a new pair which will be scored as shot (for that pair). The first pair will be disregarded (for score). A failure to fire will be allowed on the second target if the first target was shot at and missed and **~~you have~~ the contestant has** a failure to fire on the second target. It will be scored as follows: on **~~you're~~ the** second pair targets **~~you're~~ the** first target will be marked lost and **~~you're~~** the second target will be scored as appropriate. The shooter must shoot at both targets, not just the second target.
2. When a contestant breaks the first target and his gun malfunctions by automatically firing again immediately after the first shot in what is commonly described as **machine-gunning** or doubling, the pair will not be scored, and the contestant will receive a new pair. The second pair will be scored as shot. A malfunction of this nature shall be recorded as a failure to fire with two per sub-event allowed. All subsequent doubling malfunctions **are to** be declared as **a** lost **~~a~~** pair.

The **~~scorer~~ scorekeeper** will indicate an "F" in the box on the score sheet for each failure to fire and another pair of targets will be allowed. A contestant will be allowed two failures to fire for a sub-event. ~~After two "F's" per sub-event all subsequent failure to fire will be declared lost and scored accordingly.~~ **If a contestant continues in the sub-event <u>after the two allowable</u> "Failure to Fires" the contestant will be credited with any targets shot at and hit, all targets missed or not shot at will be scored lost.**

REASON:

Title change
Grammar
To clarify the scoring of subsequent failures to fire after the two allowable failures to fire.

GC-03 HANDICAP YARDAGE ADVANCEMENT CURRENT RULE 2025-2026:
SECTION B OFFICIAL RULES HANDICAP YARDAGE ADVANCEMENT

50 Target Handicap Events

High Scores and All Ties	1st	2nd	3rd	4th
10-24 contestants	½	0	0	0
25-49 contestants	1	0	0	0
50-99 contestants	1	½	0	0
100-199 contestants	1	1	0	0
200-349 contestants	1	1	½	0
350-499 contestants	2	1	½	0
500 plus contestants	2	1	1	½

A score of 50 in a 50-bird event earns a ½ yard punch regardless of the number of contestants.

NOTE: When a contestant ties for high score but loses the shoot-off, he or she still earns the same punched value as the winner. Scores of 49 and 50, in a 50-target event, will automatically earn one (1) yard, no matter how many contestants participate. Scores of 48, in a 50-target event, will receive a minimum of ½ yard, no matter how many contestants participate.

In the case of Multiplex events, when a contestant shoots a score of 48, 49, or 50, the earned yardage shall take effect immediately. All other yardage advancements will take place at the conclusion of that Multiplex event.

If a 50-target Multiplex event is conducted within a 100-target handicap event, it shall be considered an "option". Yardage advance will be awarded first on the 100-target event. Yardage advances for those entering the Multiplex "option" shall apply to any contestant not earning yardage in the 100-bird handicap event. In no case will more than one yardage advance be awarded to the same contestant for the same event. Those entered in the Multiplex "option" and earning the automatic yardage by scoring 50, shall be advanced one-half yard at the conclusion of the 100-bird handicap only if not earning yardage in that event.

PROPOSED CHANGE: SECTION B HANDICAP YARDAGE ADVANCEMENT

50 Target Handicap Events

High Scores and All Ties	1st	2nd	3rd	4th
10-24 contestants	½	0	0	0
25-49 contestants	1	0	0	0
50-99 contestants	1	½	0	0
100-199 contestants	1	1	0	0
200-349 contestants	1	1	½	0
350-499 contestants	2	1	½	0
500 plus contestants	2	1	1	½

~~**A score of 50 in a 50-bird event earns a ½ yard punch regardless of the number of contestants.**~~ **This is already in the note below**

NOTE: When a contestant ties for high score but loses the shoot-off, he or she still earns the same punched value as the winner. Scores of 49 and 50, in a 50-target event, will automatically earn one (1) yard, no matter how many contestants participate.

Scores of 48, in a 50-target event, will receive a minimum of ½ yard, no matter how many contestants participate.

In the case of Multiplex events, when a contestant shoots a score of 48, 49, or 50, the earned yardage shall take effect immediately. ~~**All other yardage advancements will take place at the conclusion of that Multiplex event.**~~

If a 50-target Multiplex event is conducted within a 100-target handicap event, it shall be considered an "option". Yardage advance will be awarded first on the 100-target event. Yardage advances for those entering the Multiplex "option" shall apply to any contestant not earning yardage in the 100-bird handicap event. In no case will more than one yardage advance be awarded to the same contestant for the same event. Those entered in the Multiplex "option" and earning the automatic yardage by scoring 50, shall be advanced one-half yard at the conclusion of the 100-bird handicap only if not earning yardage in that event.

REASON:

The Note at the beginning of the rule is repetitive. It appears in paragraph 2. With the change in the way we award yardage at Multiplex events, based on attendance at each club rather than the aggregate attendance over the Multiplex event, we no longer need this sentence as all yardage will be awarded immediately following each handicap at each club.

MT-01 SPECIAL CATEGORIES CURRENT RULE: SECTION B OFFICIAL RULES
SPEICAL CATEGORIES CLASSIFICATION RULES: SPECIAL CATEGORIES
LADY, JUNIOR, SUB-JUNIOR, VETERAN, SENIOR, ELDER, AND CHAIR

1. A Sub-junior (SJ) is a person who has not attained their 15th birthday.
2. A Junior (JR) is a person who has attained their 15th birthday but has not attained their 18th birthday.
3. A Veteran (VT) is a person who has attained their 65th birthday but has not attained their 70th birthday.

7. Any Sub-Junior (SJ), Junior (JR), Lady (LD), Veteran (VT), Senior (SR), Elder (EL), or Chair contestant (CH) must declare what trophy they wish to compete for before they enter a shoot-off. Only one trophy per event may be won.

   Clarification: Any Sub-Junior, Junior, Lady, Veteran, Senior, Elder, or Chair contestant involved in a class, handicap or championship shoot-off who is also tied for a special category trophy in that event may elect to shoot off for the class, handicap or championship trophy, but in so doing forfeits all rights to the special category trophy regardless of results of the shoot-off, except as provided in item (I 10).
8. When there is a Junior and a Sub-Junior trophy, the Junior must take the Junior trophy, and the Sub-Junior must take the Sub-Junior trophy, regardless of the high score between the two of them.
9. All contestants may shoot off for the championship trophy or the champion runner-up trophy and fall back to either class or special category trophies in a championship event, if they lose the champion or champion runner-up shoot-off. If a contestant is eligible for both a class and special category trophy in a championship event, the contestant must declare before the championship shoot-off begins which trophy they wish to fall back to if they lose the shoot-off.

   For the purpose of this section, a championship trophy, means the trophies awarded to the highest scoring event winner and any runner-up trophies, at championship events (200 singles, 100 handicap and 100 doubles used for high all-around competition) at Major Tournaments, but does not include class champions, special category champions or any other than the event high score winner and runners-up.

PROPOSED CHANGE: SECTION B SPEICAL CATEGORIES

2. A Junior (JR) is a person who has attained their 15th birthday but has not attained their 18th birthday.

8. When there is a Junior and a Sub-Junior trophy, the Junior must take the Junior trophy, and the Sub-Junior must take the Sub-Junior trophy, regardless of the high score between the two of them.
9. All contestants may shoot off for the championship trophy or the champion runner-up trophy and fall back to either class or special category trophies in a championship event¸, if they lose the champion or champion runner-up shoot-off. If a contestant is eligible for both a class and special category trophy in a championship event, the contestant must declare before the championship shoot-off begins which trophy they wish to fall back to if they lose the shoot-off.

   For the purpose of this section, a championship trophy, means the trophies awarded to the highest scoring event winner and any runner-up trophies, at championship events (200 singles, 100 handicap and 100 doubles used for high all-around competition) at Major Tournaments, but does not include class champions, special category champions or any other than the event high score winner and runners-up.

REASON:

Removed duplication from special categories that is already in the Ties section.

MT-02 OFFICAL SCORING AND TIES CURRENT RULE: SECTION B
OFFICIAL RULES OFFICIAL SCORING AND TIES

1. It shall be the contestant's responsibility to be present until an event is finalized either by the highest score, shoot-off, or by other mutually agreed disposition.
2. If a contestant fails to respond to a public-address announcement or other notice of a tie score or call for a shoot-off and the other tied contestant(s) do respond, the missing contestant is deemed to have forfeited any award or trophy.
3. In the event that all tied contestants fail to respond to the announcement, Shoot Management shall make any award based on those contestants' long-run score for that event. If still tied, the winner will be determined by a coin toss, but in no instance will the award or trophy be awarded to a lesser score.
4. "Notice" of a tie for the purposes of this section shall include a public-address announcement or posting of tournament results with ties indicated. Nothing in this section is intended to preclude the disposition of tie scores by any other mutually agreed method.

5. All ties shall, whenever possible, be shot off in such manner as the management of the competition may deem best suited to preserve the equity of competition. (Note: Ties in competition of 50 or more targets should be shot off in strings of not less than 20 or more than 25 targets per contestant.)
6. Each contestant shall shoot successively as follows at each firing point:
    a. At 2 targets in 10 target events
    b. At 3 targets in 15 target events
    c. At 4 targets in 20 target events
    d. At 5 targets in 25 target events.
7. In High All Around competitions, tie scores may be shot off with each contestant shooting twenty singles (4 four per post), ten handicap (2 two per post), and one pair of doubles from each post.
8. In High Overall competitions, tie scores may be shot off with each competitor shooting ten singles (2 two per post), twenty handicap (4 four per post), and one pair of doubles from each post. The composite score of each shall be added together to determine the winner.
9. In a Championship event, all contestants tied for the championship trophy may shoot off for the championship trophy or the champion runner-up trophy and fall back to either class or special category trophies.
10. If a contestant is eligible for both a class and special category trophy in a championship event, the contestant must declare before the championship shoot-off begins which trophy they wish to fall back to, if they lose the shoot-off. If the contestant is eligible for both a class and special category trophy and does not
10. declare before the championship shoot-off, Shoot Management will assume the contestant takes class over category.
11. For the purpose of this section, Championship Trophy means the trophies awarded to the highest scoring contestant and any runner-up in championship events (200 singles, 100 handicap, and 100 doubles) used for high all-around competition at Major Tournaments, but does not mean class champions, special category champions or any other than the event high score winner and runners-up.
12. In all championship handicap events when there is an event championship (and/or a runner-up) trophy plus yardage group trophies, the contestants will automatically fall back to yardage groups if they fail to win the event championship (or runner-up) trophy. This is based on high scores only and does not allow a fall back to a special category.
13. If Shoot Management decides that the ties shall be shot off "miss and out," the procedure shall be as follows: All those in the tie shall shoot in the same sequence as their squad number at a single target from #3 firing point. The next target shall be shot at from #4 firing point, and the following targets from posts 5, 1, and 2 successively until a winner is determined. Any contestant missing a target is out of the competition unless it should happen that all of the contestants remaining should miss a target in the same round, in which case they shall continue the competition just as if they had all broken the target.
14. Ties in double target events are best shot off at either five pair per contestant, one pair from each firing point, or at ten pair per, contestant, two pairs from each firing point. If it is decided to resolve the tie via “miss and out” the procedure is the

as in paragraph (13) above, with the exception that a pair of targets will be shot at from the various firing points instead of a single target. The competition will continue until a decision is reached.

15. In shoot-off competitions, the following starting positions will be used for the competitors, except where prohibited by unsafe yardage assignments.
    a. One competitor: Post 2
    b. Two competitors: Posts 2 and 4
    c. Three competitors: Posts 2, 3, and 4
    d. Four competitors: Posts 2, 3, 4, and 5
    e. Five competitors: Posts 1,2,3,4, and 5
16. In shoot-off competition, contestants will be assigned starting posts in the same sequence as their squad numbers for the event in which they have tied, starting with the lowest number first. If competitors are still tied at the end of the first shoot-off segment, the last competitor on the squad will become the lead-off competitor, with the balance of the squad rotating in the normal manner.
17. In all shoot-offs based on registered events a scorekeeper and a referee shall be assigned. No one will be permitted inside the fence or trap area except authorized officials conducting the shoot-off.
18. In all handicap event shoot-offs, the contestants shoot from the same yardage they were assigned for the event in which they have tied. The shoot-off will be conducted on the same day. If the contestants have yardage differences that do not allow them to shoot on the same trap, the shoot-off shall be conducted on different traps at the same time, if possible, to maintain fairness at all times.
19. All handicap portions of shoot-offs for High All Around will be conducted from the last-assigned yardage, and High Over All will be conducted from the initial classification yardage assignment.

PROPOSED CHANGE: SECTION B OFFICIAL SCORING AND TIES

7. In High All Around competitions, tie scores may be shot off with each contestant shooting twenty singles (4 four per post), ten handicap (2 two per post), and one pair of doubles from each post.
8. In High Overall competitions, tie scores may be shot off with each competitor shooting ten singles (2 two per post), twenty handicap (4 four per post), and one pair of doubles from each post. The composite score of each shall be added together to determine the winner.
9. ~~In a Championship event, all contestants tied for the championship trophy may shoot off for the championship trophy or the champion runner-up trophy and fall back to either class or special category trophies.~~ **Combined 9 and 10 into 9.**

    In all Singles and Doubles events, if a contestant is eligible for both a class trophy and a special category trophy, the class trophy shall take precedence. If an event Champion (and/or runner-up) trophy is offered, whether in a Championship or non-Championship event, and the contestant is tied and loses the shoot-off, they may then fall back to the appropriate class trophy. If the contestant is tied for the class trophy and loses the shoot-off, they may then fall back to the appropriate special category trophy.

In all Handicap events, if a contestant is eligible for both a yardage group trophy and a special category trophy, the yardage group trophy shall take precedence. If an event Champion (and/or runner-up) trophy is offered, whether in a Championship or non-Championship event, and the contestant is tied and loses the shoot-off, they may then fall back to the appropriate yardage group trophy. Fall back to a special category is not permitted

~~10. If a contestant is eligible for both a class and special category trophy in a championship event, the contestant must declare before the championship shoot-off begins which trophy they wish to fall back to, if they lose the shoot-off. If the contestant is eligible for both a class and special category trophy and does not declare before the championship shoot-off, Shoot Management will assume the contestant takes class over category.~~ **Combined 9 and 10 into 9. Moved 12 to 10.**

11. For the purpose of this section, Championship Trophy means the trophies awarded to the highest scoring contestant and any runner-up in championship events (200 singles, 100 handicap, and 100 doubles) used for high all-around competition at Major Tournaments, but does not mean class champions, special category champions or any other than the event high score winner and runners-up.

12. ~~In all championship handicap events when there is an event championship (and/or a runner-up) trophy plus yardage group trophies, the contestants will automatically fall back to yardage groups if they fail to win the event championship (or runner-up) trophy. This is based on high scores only and does not allow a fall back to a special category~~**. MOVED 12 to 10 and updated the wording.**

A Rookie is any shooter who has shot less than one calendar year from the time they shot their first registered targets.

*Juniors, Sub-Juniors and Ladies may shoot at 22 yards.

Failure to Fire rule. - You are allowed two failures to fire per sub-event in the 16 yard, handicap, and doubles events. It is not counted as a failure to fire if a “no target” is thrown. Check your rule book for details.

Handicap Rule. All shooters will shoot their longest handicap yardage, ATA or PITA.

BROKEN TARGET RULE - When a broken target is thrown, regardless of whether the shooter shoots at the target or not, it is declared “NO TARGET”.

The State Board of Directors and the hosting gun club reserve the right to change or modify any part of the program, if necessary.

James (Jim) Maughan

July 15, 1943 — September 1, 2024
Twin Falls, ID

With deeply felt love and admiration we celebrate the life of James “Jim” Ralph Maughan at the age of 81. Born in Tooele, Utah on the 15th day of July 1943 to Ralph and Betty Maughan.

Jim spent his childhood in Tooele with his four siblings: Nancy, Milton, David and BettyJo. Graduating from Tooele High School in 1961 and then Utah State University in 1969. With a drive for challenge, he relocated many times in his life. Living in Logan, Ut and Preston ID until he ventured up to Moses Lake, WA to teach school while starting a family and finding his passion in general contracting.

He spent a few years in Canada designing a complex, when his zest for adventure kicked in and he moved to Tonopah, NV where he started his own business Maughan Construction and prospered for many years, all while enjoying hunting, fishing, trap shooting and his passion for firearms and reloading ammunition. In 2011 he was featured in the Trap & Field American TrapShooting Magazine for Idaho State Singles Champion of the year.

In 2002 Jim relocated his family to Twin Falls, Idaho where he owned and operated Maughan Construction/Magic Valley Home Setters until his retirement in 2021. He was an active member of the Church of Jesus Christ of Latter-Day Saints and served in the temple. He loved his callings in the priesthood and primary class. This is where his soul was fed and he felt peace.

Greeting everyone with a pleasant smile and hello. Always wanting to serve others, there wasn't a room that he entered that didn’t light up & I know his spirit will continue to do so for all his family that he loved so dearly. His love and legacy will live on through his children, grandchildren and great grandchildren. This world dimmed a bit Sunday, September 1, 2024, a bright humble soul, quietly laid to rest.
Jim is survived by his children: Heidi (Kenny) Konecki, Jim Maughan Jr. (Tonopah NV), Seth Maughan (Eagle ID), Jennifer (Keatan) Irby (Ahsahka ID), Kirk (Alicia) Maughan (Twin Falls ID), 18 grandchildren and 6 great-grandchildren. Jim also held a fatherhood with two of his grandchildren, Halle Walsh and her big brother Chancelor Maughan who was waiting at heaven’s door to welcome his grandfather home. He is preceded in death by his parents, Ralph and Betty Maughan, BettyJo Miller Maughan (sister), Ralph VonDohln Maughan (son), Chancelor Clark Maughan (grandson).

A visitation for family and friends will be held on Saturday September 14, 2024 from 1-3pm at the LDS Caswell Ave Building, 824 Caswell Ave W, Twin Falls, with services to follow at 3pm. Arrangements are under the direction of Rosenau Funeral Home.

ID PITA State Championship Singles
Junior/Sub-Junior Boy

Colten and Evan were teammates on the 1st Sg Erin R Smith memorial shooting team lead by Coach Mike Strong.

This is where they both fell in love with trap shooting.

We tragically lost these amazing young men within days of each other in September 2023. We will honor these very competitive Junior shooters with an annual award in this category.

The Junior/Sub-Junior Boy with the highest score in this event will receive a belt buckle and the boys' families will donate $200.

This award is in honor and memory of Colten Michael Harrsch.

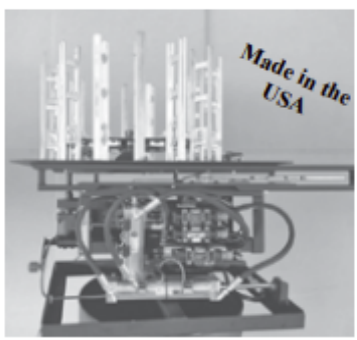

Colten (Bubba) was a phenomenal trapshooter who loved the thrill of competing and winning and enjoyed hanging out with all his shooting 'family". We tragically lost this beautiful soul in September 2023. He will be forever loved and missed. We will continue his legacy by awarding $150 and the winner's name engraved on a perpetual plaque to the high junior, boy or girl, in this event.

IDAHO SHOTGUN SPORTS MUSEUM (ISSM) UPDATE

The Idaho Shotgun Sports Museum is progressing towards its finish as power to building and interior completion and setup are underway. In January, Richard Wehren donated a large, new gun safe and this has been moved into the building and will provide security for shotguns and other items of value.

Other donations are being prepared for display. If you or anyone you know have historical shotgun shooting items you would like to give to the ISSM or are interested in giving cash donations, these may be dropped off at the Boise Gun Club.

The Grand Opening for the museum is slated for the end of May. We look forward to putting our Idaho shotgun history on display and hope you take the time to visit during the Idaho PITA state shoot at the Boise Gun Club.
