What is the Multiplex?

A PITA-registered event held the first full week of each month (Sunday-Saturday) at various gun clubs consisting of 50 singles, 50 handicap, and 25 pair of doubles with an optional sub-gauge singles event (shoot one or all). See all the events at https://shootpita.com/calendar/.

It can also be offered at a scheduled 100 bird event during that period – called '**Multiplex Lewis Option**'-cost $9.25 per 50 plus an additional PITA $4 fee. The 1st 50 targets of your 100 bird singles, handicap and doubles are submitted for the monthly event. You can enter the **Multiplex** multiple times each month at different clubs (not twice at the same location) increasing your chances of hitting lewis purses (can win more than one per event).

To view more information/previous winner and to verify your scores and winnings visit https://shootpita.com/multiplex/. Winnings are mailed by PITA at the end of each month.

If your club doesn't currently host PITA events – no problem! There is no charge for a club to join PITA and host Multiplex events – just contact them at 530-645-3350 or info@shootpita.com.

How can I be an Oregon **ALL SEASON ALLSTAR (ASA)**?

This Oregon award, open to all PITA shooters, was created in 2024 to recognize shooters participating in Oregon shoots all year round and at multiple gun clubs.

- You must shoot a minimum of 8 months of the target year at 100 bird events held at qualifying shoots (see ASA flyer for these shoots).
- You must have at least one complete qualifying shoot (S,H,D) registered before April 1.
- Finally, you must shoot a minimum of 6 different Oregon clubs with 100/100/100 (S,H,D) at each club.
- After the minimum targets are achieved, low scores are dropped using the highest 1000 in each singles-16 yd, handicap and doubles.

All Season Allstar jackets are awarded to the highest scoring shooter in each class AA, A, B, C, D (one jacket only, repeat winners have additional year(s) added to their jacket).

Congratulations to our 2026 Allstars:

A – Jeff Stephens 2729/3000 – 8 months – 6 clubs
B – Charles Smith 2640/3000 – 8 months – 6 clubs
C – Don Kress 2722/3000 – 9 months – 10 clubs

Brittany Marshall of WA was the 2025 C class ASA. She traveled a lot of miles to achieve this.
